

4<sup>th</sup> International Conference on  
**PSYCHOLOGY AND MENTAL HEALTH**  
November 14-15, 2024 | Bangkok, Thailand

## **TITLE: Sense of Coherence of adolescents who live with family members in mental distress: Integrative literature review.**

**Name:** Ivonete Teresinha Schuller Buss Heidemann / Leandro Martins Costa de Araújo

**Affiliation:** Nursing Professor / PhD student at Federal University of Santa Catarina

**Country:** Brazil

**Email ID:** leandromartins19@gmail.com

### **ABSTRACT (upto 300 words)**

An integrative review was carried out, with the aim of understanding the influence of living with family members who experience pathologies related to mental health on adolescents' Sense of Coherence. Scientific productions between 2012 and 2022.

Upon in-depth and interpretative reading of the articles, it was possible to observe that they all highlighted the influence that the relationship between parents and children has on adolescents' SOC and how this will reflect on adult life. Relationship to health in terms of quality of life, health behavior, mental health or family relationships.
