About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientific Meet Icon conferences. Well organized scientific program. [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

After the successful completion of Mental Health 2023, We cordially invite you to attend the “**4th International Conference on Psychology and Mental Health**” on November 14-15, 2024 at Bangkok, Thailand. It mainly focuses on Psychology and Mental Health with the theme of “A forum to explore the innovation in Psychology and Mental Health”. Mental Health 2024 will be a great forum to explore and share the knowledge.

Our primary objective is to make the Congress an exceptional achievement by the finest psychiatrists and psychologists in the field of world-class discussions and debate. With its insightful symposia, seminars and outstanding keynote workshops, the conference will be an experience of well-respected experts in the field. It will also prove a brilliant open door for representatives of universities and institutes to collaborate with globally renowned academics and provide companies involved in broadening their global business reach.

About Webinar

The **4th International Webinar on Psychology and Mental Health** on November 21-22, 2024. It mainly focuses on Psychology and Mental Health with the theme of “A forum to explore the innovation in Psychology and Mental Health”. Attendees were given the option of receiving an electronic certificate of attendance. Join us for an exclusive forum with 50+ mental health specialists to form important collaborations. Bring major technological and mechanical advancements in mental health to the clinic.

Our main goal is to make the Webinar an outstanding achievement by the world’s best psychiatrists and psychologists in the field of world-class debate and discussion

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Neuroscience and affiliates

TARGET AUDIENCE

- Psychologist
- Mental Health Psychiatrist
- Psychiatrist
- Students
- Educators
- Research Scholars
- Industry Professionals
- Diagnostic laboratory professionals
- Healthcare Professionals
- Business Entrepreneurs

Session Highlights

- **Mental Health**
- **Women's Mental Health**
- **Psychology**
- **Autism**
- **Stress, Anxiety and Depression**
- **Psychotherapy and Counselling Psychology**
- **Behavioral Health and Bullying**
- **Suicide and Self harm**
- **Bipolar Disorder**
- **Schizophrenia**
- **Neurology and Neurological Disorder**
- **Addiction**
- **Obesity and Eating disorder**
- **Child and Adolescent Psychiatry**
- **Obsessive Compulsive disorder**
- **Post-Traumatic Stress Disorder**
- **Personality Disorder**
- **Child Abuse**

About Venue

GRAND MERCURE
HOTELS AND RESORTS

GRAND MERCURE BANGKOK ATRIUM,
1880 New Phetchaburi Road, Bang Kapi,
Huai Khwang, 10310 Bangkok, Thailand

Conveniently located close to Suvarnabhumi Airport, Grand Mercure Bangkok Atrium is located in the heart of the city with easy access to the best of Bangkok, whether for business or pleasure. Strategically located in Bangkok's commercial and retail area, New Phetchaburi Road, the Grand Mercure Bangkok Atrium makes an ideal base for both the business and leisure guests. It is just minutes away from a choice of superb shopping centre, the Thailand Cultural Centre, Queen Sirikit National Convention Centre, Bangkok International Hospital, several embassies and the underground rail system. A dedicated Executive Floor and Avani Executive Lounge, superbly delicious dining options and elegantly appointed accommodation, whether in town for work or play, hotel attentive service and first-rate facilities will ensure that you make the most of your Bangkok experience.

About Venue:

Bangkok, Thailand's capital and city that never sleeps, is a trendy mash-up of diverse cultures and religions. Temples and monasteries coexist peacefully here close to towering skyscrapers. Street bazaars and floating markets compete with luxury shopping malls and purchase centers. Thailand is the 12th largest country in Asia, with a total size of over 198,000 square miles and a population of 67.9 million. The majority of foreign visitors to the country travel to Bangkok, one of the world's top tourist destinations. Thailand experiences both the summer and winter monsoons due to its location between substantial areas of land and water. The typical temperature in Thailand ranges from 18 to 38 degrees Celsius. In Thailand, cancer is the top cause of death, and mortality is rising. Therefore, it would be essential to adhere to and share any future study into the treatment of cancer field in order to recommend advancements. [\(click here for more\)](#)

- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

Our achievement of the “3rd International Conference on Psychology and Mental Health” in Dubai, UAE, on November 16–17, 2023, was unbelievably an extraordinary achievement. The meeting’s statistical significance was established by gathering together all pertinent research scientist groups to conduct research, share expertise, and exchange global knowledge with the right audience at the most appropriate moment. Mental Health 2023 focused on the theme of “Explore the evolution in Psychology and Mental Health.”

Psychology and Mental Health 2024 Would truly like to express my sincere gratitude to all of the members of the organizing committee, keynote speakers, speakers, students, and media partners who made the conference transform into an overwhelming success.

Mental Health 2023 Organizing Committee would like to thank the Moderators of the conference – Kadhim Alabady from Public Health, DHA, UAE who contributed a lot to the smooth functioning of this event.

Following the enormous triumph of Mental Health 2023, We are delighted to announce our next upcoming conference “4th International Conference Psychology and Mental Health” which is scheduled to be held on November 14-15, 2024 in Bangkok, Thailand.

Testimonials

Feedback

Marguerite Rose Nguekeu
Cameroon

Thank you very much for this change. I am also very proud for the opportunity you gave me to increase my knowledge in the field of research. It would have been a real pleasure for me to participate in the conferences organized by Scientex. Apart from the network connection disruption that prevent me to really present my speech, I was glad to hear other speaker that webinar enable me to improve my knowledge in the field of research. It was a great pleasure to listen to those who were very experienced.

Shubhangi Singh
USA

Thank you so much for the opportunity, I was really great! Gain diverse perspective on different topics of psychology and its application. Thank you!

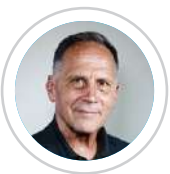

Lucas Manarte
Portugal

Everything was according to what was planned. Thank you for the Organization of this conference.

Nkporbu Aborlo Kennedy
Nigeria

It was an exciting moment virtually with you. The webinar was well organized and it was impactful.

Ken Ware
Australia

Thank you very much for your correspondence. I will be joining you in future meetings.

Snezana Minic
Serbia

everything went well in the end. Thank you for inviting me to the conference. I have enjoyed being a part of it. Wishing you all the best and Happy Holidays.

Noury Bakrim
France

This is really an interesting perspective in neuroscience. In my opinion, all the assistance made in the conference is perfect and I can say that the forum is of higher quality. My expectation has been positively met and hope that will continue to have an interesting discussion.

Tatsu Kobayakawa
Japan

Thank you for giving me a chance to attend this conference and giving me a chance to present my study. I could really enjoy this conference even though not on site but remote. On real operation was really smooth. I easily guess that was hard work to prepare hybrid conference, (last year, I my self was an organizer of Japanese conference) so I do appreciate such a "comfortable" preparation.

Hitoshi Sakano
Japan

Thank you for organizing the interesting meeting, Neuroscience 2021, in Vienna last week. It was really great and I very much enjoyed it.

Tatiana Farias
Brazil

It was an amazing experience. Very proud to have participated in an event with capable people from many different countries.

Past Conference Program
